Homozygous Black/Homozygous Polled. Well, she's done it again! Fantasia has been a "can't miss donor" for us and this one could be her best yet. **Full sib to the AI Sire, FITZ Escalade**, the record setting bull from the 2012 IA Beef Expo. Outlaw is stout and powerful, yet so sound. He comes with eye appeal that gets lost in most power bulls. Take him home and make attractive seedstock or turn him out with commercial cows and see your profit margin spike. Either way, you won't be disappointed. Retaining 25% semen interest.
