

ALL BREEDS BULL & FEMALE SALE
SATURDAY, APRIL 8TH, 2017 AT 5:00 P.M.

Cattlemen,

We would like to invite you to participate in the Mid-Continent All Breeds Bull and Female Sale. We will be selling 2015 Fall born and 2016 Spring born bulls of all breeds with emphasis on Angus, Sim-Angus, Simmental, and selected bulls from other breeds.

Consignors need to concentrate on Top Genetics, Quality, Performance and Good epd's. The sale is being held in a good cow/calf area of eastern Iowa.

Buyers will be looking for Bred Heifers, Cow/Calf Pairs, and Replacement Open Heifers at this time of the year. We will offer a few Show Heifers for Junior Programs.

We are planning promotional ads in Livestock Plus, Midwest Marketer, and Farm Week of Illinois – covering Iowa, Wisconsin, Illinois and Minnesota. Good pictures of feature cattle will help sell your cattle. We are using Lotone.com, on-line service to help sell your consignments; the sale catalog will be on this site and my website larrymartinlivestock.com. Sale day we will have a catalog hand-out for buyers.

We will have a professional sale staff with consultants, order buyers, ringmen, and our auctioneer will be the 2015 Res. Champion Livestock Auctioneer – Brian Curless.

Contact Greg Miller at 608-778-8785 or LMCS at 217-433-0242 to consign.
