This is a powerhouse Simmental female here. When we were thinking about what to put in this sale, we decided we wanted to offer one of the really good American Girl daughters. This one came to mind quickly. She is unbelievably deep bodied and really soft in her makeup. She is sound on the move and will make a tremendous cow. It really is hard to part with heifers like this. We think that when you see her, you will see why. She is a maternal sister to the Champion Female at Spencer in 2011 and a maternal sister to the Champion Bull at the IA State Fair in 2012.
