CATTLEMEN'S Choice

WELCOME

Welcome to the Fall Cattlemen's Choice Production Sale. We will be doing a live auction and online bidding with DV Auction.

The Covid virus has made changes in our lives and how we do business, but I believe as Americans and cattlemen we look for the light at the end of the tunnel getting brighter and it is time to move forward.

The Cattlemen's Choice Sale just keeps getting better, commercial cattlemen and purebred breeders have a great opportunity to improve their own cattle herds with top quality bred females A-Id to some of the best bulls in their respective breeds.

Also in this sale we will be selling the best cow/calf pairs we have offered, the coupon is at side, some cows bred back making 3-in-1 packages. My grandpa always told me they were the best money-making kind.

If you are still looking for some show cattle I have some great prospects. Check out our catalog! I am really excited about our genetic offering – the W/C Fort Knox x SS Enchanress pregnancy and the recip cow with an ET red heifer calf sired by Steel Force and the Shear Force 35Y donor are big time.

I will be doing the Pre-Sale Parade again on Friday night at 7 p.m. on DV Auctions and Rachel will have it on the Arthur Sale Barn facebook page. Check it out, the parade will be in catalog order. I am offering a new service this year – sight unseen purchases! If you can't attend our sale, I have some of the best cattlemen around that can help you with your selection, budget and live bidding with no cost to you. The sale cattle will arrive Friday and you are welcome to stop by and look at our offering.

The Illinois Simmental Assn. will be hosting the 2022 AJSA National Classic and we will auction a cattle decor planter box donated by Kemme's Creekside Simmentals with the sale proceeds going to this great event. Let's help the kids with bids!!

Thank you to Rachel and Dr. Paul Marx for being our barn sale hosts.

Make plans to attend! I am hoping for better weather.
God Bless America!

This dual registered simm/maintainer not only has the look but is backed by strong maternal instincts. With Royal Affair genetics on the top side and I-80/Who Da Man on the bottom side the breeding potential is endless. Her granddam SSUI Who Dat Ginger was a Reserve Grand National Champion Chi Female at NAILE. Before you send her to the pasture enjoy your success in the show ring. This girl is as soggy middled as you can make one and still have a look that kills. Get her on the move and she has the soft foot, a long stride everyone is striving for. Add a large dose of hair like a yak and let the fun begin.

Don't know where to start with the pedigree on this chromed up gal. She goes back to Uprising, Power Drive, OCC and that's just the sire side. H33's dam has a picture perfect udder. Small teats and square on the corners. Dam's pelvic 209. Super docile cow family with the likes of Lemenager breeding included.

No sire in the breed is more sought after than Fort Knox and for good reason. He tops shows and sales all over the country. Enchantress is a T.J. Sharper Image X SVF Magnetic Lady daughter that has been in Sloup Simmental's donor pen and front pasture from day 1. Pregnancy is being carried by an extra fancy young baldy heifer that should make a tremendous cow in her own right. **Due to calve 4-16-21** and was ultra sounded at 45 days with possible heifer calf.

We wanted to give her first calf a shot at the Winner's Circle so we bred her to KC and NAILE Champion WLE Copacetic. Selling the 2019 Res. Calf Champion at the Wisconsin State Fair. My sister Emily showed Dreamer at the 2020 Illinois Beef Expo standing 3rd in class. We turned her out after that when COVID-19 hit, making her a front pasture female and bred A-I to Blaze of Glory.

A-I Bred: 5-11-20 to Geff's County O. Due Feb. 20, 2021

A-I Bred: 7-1-20 to Blaze of Glory. Due April 25, 2021.

No bull exposure. Preg. checked.
