Spring ALL Breed
Bull and Cow Sale

Sat., March 26TH, 2022
12:30 PM

Arthur Sale Barn, Arthur, IL

DVAuction
Broadcasting Real-Time Auctions
www.DVAuction.com

Live and On-line

2022 WELCOME

Welcome to the Springtime Cattlemen's Choice Bull and Cow Sale, selling Angus, Hereford, Simmental, and A.O.B.'s.

We will again be doing a live and on-line auction through DVAuction. Pre-Sale Parade Friday night at 7:00 p.m., the parade will be in catalog order, at Arthur Sale Barn facebook.

The bull offering is strong in quality, and the real good ones will be here!! Please follow Rachel on Arthur Sale Barn facebook page and videos. Our quality has continued to get better every sale.

I will again offer sight un-seen purchases with some very good cowboy consultants spending your money. This is a free service – no cost to you, or get on DVAuction and click the button. Please feel free to attend and watch the parade Friday evening.

Thanks to Rachel and Dr. Paul Marx for being our sale hosts.

We look for better weather and remember GOD BLESS AMERICA!

Larry & Cindy Martin

CATTLEMEN'S Choice

Spring All Breed Bull and Cow Sale

SALE LOCATION – In the heart of Amish country at the Arthur Sale Barn, north edge of Arthur.

LIABILITY & HEALTH – All persons attending the Cattlemen's Choice Sale will do so at their own personal risk. We encourage you to practice all health guidance practices.

LIVESTOCK INSURANCE – Hugh F. Miller Agency on behalf of American Livestock Market Insurance will have available insurance on your purchase. Call 815-626-1300 or see Greg or Eileen Miller for more information.

LODGING – Best Western Plus
917 Green Mill Rd., Arcola, IL.217-268-5000.

HERD HEALTH – Dr. Paul Marx – 217-543-3864 or 217-254-8026 will be the sale vet and write health papers for out-of-state purchased cattle. All bred females in question can be ultra sounded before leaving the sale barn.

ANNOUNCEMENTS FROM THE AUCTION BLOCK – Any and all announcements from the auction block take precedence over the printed catalog.

REGISTRATION PAPERS – Cattle will be transferred to the new owner at seller's expense. Please give the proper name as you want it on the paper to our cashier on payment.

TERMS AND CONDITIONS – Cash or personal check payable to Martin Escrow. Settlement to be made sale day or see Larry Martin prior to any purchases. All bidders should pick up a buyer's card and be registered. You will receive a paid receipt to show at load-out of your cattle.

PRE-SALE PARADE – Arthur Sale Barn facebook, Friday night 7 p.m. Inspection of sale cattle will be 12 noon Friday at the Sale Barn. There will be videos, contact the consignor for more information. If you can't attend the sale and would like to bid to a real person – contact sight unseen sale reps for free service.

TRUCKING – Greg Miller – 608-778-8785. Will assist and help make trucking arrangements.

BREEDING GUARANTEE – All cattle sell under the terms and conditions of the breed associations selling in this sale. Please visit their websites prior to any purchases. Dr. Paul Marx will be available sale day.

DVAUCTIONS – This sale will be broadcast live on the internet. Contact 402-316-5460.

Alley is the Denver Champion Female that continues to lead the Simmental breed in terms of quality and value. Take advantage of these fresh matings on her. These SAM females we expect about half to be red baldies, half to be black baldies, but all to be extremely high quality. With Bet on Red you can up your odds to 100% RED heifer calves! Embryos will be produced at Polzin Embryo Center with guarantee of 2 pregnant embryos if done by a certified embryologist.

Time tested genetics here out of the legendary Burn Baby Burn and Primo. Burn Baby Burn has 223 registrations in the ASA Database and counting. Her progeny includes a long list of show winners, donor females, and top sires. The Primo bull has, and will continue to produce countless champions on the tanbark. We expect the result of this pregnancy to be deep bodied, big boned, square hipped, and to have the hair that everybody on the show circuit desires. The recipient is a 3/4 blood Moving Forward heifer that will be productive for years to come. If you understand the power of pedigrees, then you will understand the potential and the value that comes with this pregnancy. Pregnancy due 9-12-22.

A nice opportunity to buy a pregnancy out of the \$33,000 half interest donor from the legendary Sloup Simmentals operation in NE. Fort Knox, the sire to the calf, needs no introduction as he was the \$180,000 sale feature in the 2019 Werning Sale. This pregnancy has a strong set of EPD's, with 8 traits in the top 30% of the breed, and the genetic backing to make a living in the front pasture. The recipient female is a young heifer and is very solid in her own right. She is phenotypically correct and has her whole life in front of her. The homework is done here. Take this lot home and let her make you money. Pregnancy due 9-12-22.

As cool looking as you can make one. Long necked, flat shouldered, big ribbed and extremely sound. His mother has produced several winners for the kids, have always been able to sell the bull calves as well. If you're wanting to make replacement females or fast growing calves, select J4 with confidence.

Hands down, as powerfully constructed, stout and burly of a bull as we've raised for quite some time. For as thick as he is, still flexible off of both ends. Backed with the tremendous Burn Baby Burn cow family, his upside is intriguing.

n/a	n/a	n/a	n/a	n/a	n/a

This great herd sire prospect has unlimited potential. His dam is out of our cornerstone donor, Lemenager CLA Travett 928 who has done great things for us and on the top side of his pedigree is GCC Money Earned who is truly beginning to leave his mark in the Angus breed. When you see J12 you'll love how extended he is in terms of length of head, neck, and spine all while being super smooth shouldered but still has plenty of punch when you get behind him.

This February calf comes from another Cornerstone cow family line, Queen of Hearts x954. His High Regard mother is a breathtaking version of what a Simmental cow should look like. This calf carries that same basic fundamentals in his build and performance. J25 is a son of the G-County O bull, and without a doubt, they'll come from all the neighboring counties to buy 25's calves.

Here's a nice all around cow. She weans the biggest calves every spring, which have the look to good with production. Bred to Jacked Up for an early Feb. calf. Don't miss this one.

Calf at Side: Bull calf. Born 1-31-22. Sired by Jacked Up.

Feature Lot

The Keymura Katy cow family is known for producing cool looking, stylish show heifers. Her sire, Gateway Follow Me, is producing many champions. Her dam by Dameron First Class was a class winner many times leading to several championships. Her granddam was Reserve Division Champion at the National Junior Angus Show. A maternal sister, Katy 13E, was a class winner at the 2018 Eastern Regional Junior Angus Show. She also was named champion six times. This stylish heifer is very feminine, great footed and is bold in her rib shape. She will make a great addition to any cow herd, Angus or club calf, and should go into a donor pen. Katy 8J is halter broke to lead and tie, has been washed 10 plus times, easy to catch and work on. Video available from Jim.

This brockle faced May heifer is perfect for the new showman. She is moderate in her design and gentle as they come. Her mother goes back to some of the most iconic bulls in the Angus industry including PVF Insight, C&C Priority and Connealy Capitalist 028. She is also sired by our Hereford bull that goes back to the Iowa State Fair Grand Champion Hereford female in 2015. If she is anything like her mother, you can expect an easy feeding female that is as maternal as they come. Bid with confidence on sale day.

This yearling heifer has donor written all over her. She is out of our bull we purchased from the Steenhoek family in Iowa. Her pedigree is packed with purple banners and performances to back it up. She will be a moderate framed, easy doing cow which can be seen when you look at her numbers.

This early May heifer has stood out from day one! As young producers we wanted to bring our best selection to give you a glimpse into our operation and we feel that this heifer does that perfectly. Her dam is a powerhouse Angus cow that is directly out of the Ferree Fitzgerald program in Indiana and is sired by a royally bred Hereford bull from the Steenhoek family in Iowa. She combines structure, look, and performance into a balanced package that appeals to the eye and to top it off, she is black to the ground with a beautiful blaze face.
