# Welcome

Welcome to our annual Cattlemen's Choice breeder group sale at Shelbyville, Illinois on Sunday, December 8th.

The Cattlemen's Choice Sale has grown into one of the best All Breed Purebred cattle sales in the Midwest. You can expect to see real good cattle that will make a big-time improvement in your own breeding program.

We will be selling at the 2024 sale a large number of quality 1st calf heifers with fall calves at side, hard to find this number at one sale without going out west. This group can rebuild your aging cow herd. We are blessed with young cattle, featuring the best Bred Heifers as a group, that we have ever sold. Selling Angus, Simmental, Hereford, Red Angus, and Shorthorn breeds. The selection of front pasture Bred Cows will suit any cattlemen, with potential donors in this group.

We started selling a few show heifers and top replacements a few years back and this sale will offer Angus, Simmental, and Red Angus replacements, featuring a 24 karat show heifer prospect, full sib to the top selling open heifers the past two sales.

If you cannot attend in person, take advantage of our sight-unseen service – there is no cost to you.

We look forward to your attendance. I think you will be impressed with this year's Cattlemen's Choice Sale offering.

Gem is a difficult one to let go. Her pedigree reads like a who's who in the Simmental breed. Ferguson Show Cattle has sold many high dollar progeny out of Gems dam. She is owned by my son Marcus. Only because she has given him 2 heifer calves already that are being retained is she available for you to purchase at this sale. She settled on first service again to the HOT bull Change is Coming. Don't have to wait long for what we think will be a really cool calf regardless of whether it is a bull or heifer!

Bussey, Iowa  
Simmental

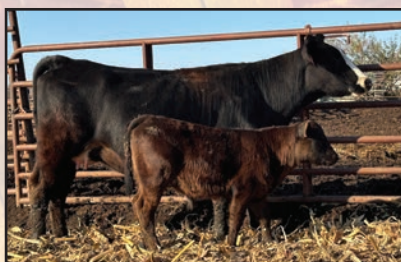

It is our joy to be a new consignor to the Cattlemen's Choice Sale and group of breeders. Our hope is to just add to the depth of what we know is a wonderful group of breeders and cattle in the sale. We are a family owned and operated farm that started raising Simmentals about 25 years ago with our first purebred 4-H heifer. Since then we have utilized AI, E.T. and high quality clean up bulls to continue to grow in quality. We now have over 125 head of Simmental and SimAngus cows in both fall and spring calving herds. Over the years, we have marketed cattle off the farm, as guest consignors in producer's sales, the Iowa Beef Expo, and a breeders sale in Wisconsin. The past few years we have been looking for a new place to market animals and our genetics and we were thrilled when Larry and Greg reached out about the Cattlemen's Choice Sale. With this being our first year here, we wanted to make sure we brought some sale highlights and animals which would be appreciated in Shelbyville and at their new homes. You will find some of our top 2 year old cow/calf pairs, one standout cow in the prime of her life, and 2 older bulls ready to go to work. These are real world cattle. The calves on these cows will develop into high level, functional cattle. The cows all sell **open and ready for you to breed** whenever and to whatever meets your program needs. Please reach out if you have any questions, we are always happy to talk cattle.

The last cow that Benjamin owns, so we are selling her. She is big, good uddered and sound on her feet and legs. She was Reserve Heifer Calf Champion 2017 at IL State Fair Junior Show which started her successful show career for Benjamin. Her two daughters have averaged \$4500. Her first daughter was Champion Heifer calf 3 times, being named Supreme Prospect Heifer at Labor Day Spectacular. Three sons have an average weaning weight of 707 lbs. Ben still comes home and puts a halter on her to work with her; needless to say, she's easy going. We don't do a lot of flushing, but she should be a donor cow. She is due A.I. to W G A Maverick 12k, the 2023/2024 ROV Champion Intermediate show bull of the year. He was also at side of his mother, winning Reserve ROV cow/calf of the Year 2022/23.

A May show heifer, right from the show barn, she has been tied, washed and led around. Both of our kids have aged out of the junior circuit otherwise she wouldn't be for sale. Feminine, sound, good bone, square hip, and good hair, she will be very successful in the ring. And even more as a cow. Sired by Musgrave Feat adds just more maternal look to her. Video available.
