BREEDING GUARANTEE:

All cattle sell under the terms and conditions of the breed associations selling in this sale. Please visit their websites prior to any purchases.

2025 WELCOME

Cattlemen,

Welcome to our Grasstime Sale. This may be the Best Cattlemen's Choice Sale that I've had at Shelbyville.

We are loaded with some very elite Female Sale Features that will suit any cattleman.

The Bull Division will be strong with quality, super genetics and bulls that can go to work as soon as you get them home.

We are a Multi-Breed Sale and featuring this June will be pens of some outstanding British Park open heifers. I think everyone will be impressed with these heifers.

We look forward to seeing you or go to DVAuction if you live far away.

Larry and Greg

DVAuction

Broadcasting Real-Time Auctions
www.DVAuction.com

DV Auction will supply our on-line bidding support to bidders at the Cattlemen's Choice Sale. All sales are final, when the auctioneer sells the lot and the buyer assumes responsibility to arrange trucking and payment to Larry Martin Cattle Sales. Buyer will be texted purchase cost on sale day.

ON-LINE BUYER'S OPTIONS

1. Cattle purchased on sale day and buyer intends to pick up at United Producers Barn, must pick up sale cattle by Monday, Noon!! Buyer will make check to Martin Escrow and leave it at Barn Office with Steve or Zach.
2. If cattle purchased cannot be picked up on Sale Day or Monday, the cattle will be trucked and housed at Larry Martin's, 3485 Nancy Lane, Clinton, IL. Buyer has 5 days to arrange trucking and come to the farm for pickup. Payment will be made at time of pickup.
3. Wire transfer can be made within 5 days of sale date. Please contact Cindy Martin 217-433-6088 for bank wire information.
4. Greg Miller with LMCS will arrange trucking 608-778-8785. Our trucks will pick up a check for your purchase and their trucking fees at time of delivery.

***We thank you for your purchase
and cooperation.***

-----------	-----------	-----------	-----------	------------	-----------	------------	------------	-----------

Allstar Lucy 029 is one of our family favorites. She is due to WC Bank On It on 6/14/2025. She was shown competitively as a heifer by our son Kurt. She is a PVF Insight daughter that goes back to the same foundation Lucy cow family as our 2019 4th overall Bred and Owned heifer shown by our son Luke at the National Junior Angus Show. Her dam is a very productive 2011 SAV Bismarck daughter. Her maternal grand dam was a \$25,000 selection as a heifer calf for Allstar Angus from the great Champion Hill herd in Ohio. This cow is easy fleshing and has a fantastic udder. She is extremely docile. She can be bred for production, show, purebred angus or percentage simmental progeny.

A-I Bred: to W/C Bank On It #3808104.

10.2	2.1	69.0	105.7	5.3	15.8	50.8	110.8	68.1

Such a solid cow right in her prime, Eydee E01 has done it all for us raising bulls, sale heifers, and replacements. Purchased from Marlee Tarr in a past Illini Elite Sale, this SimAngus Silveiras Style daughter was shown successfully numerous times for Marlee and completed at a high level. Not only is she halter and show broke but this is a really good female with so much shape, extension, and correctness, you can tell by her picture that she has really good depth and body and such an easy cow to work with! She's also top 1% \$ Gain! EO1 sells with a brand new solid red heifer at side, RS Stylin 701N, by RS Signature 038L, also consigned in this sale.

Calf at side: RS Styling 701N #4510680. Sired by RS Signature 038L #4266233. BD: 4-29-25.

A TRIBUTE TO JAY BOOK

A tribute to an outstanding cattleman

JAY BOOK OF NORTHLAND FARMS

**“2023 Illinois Simmental Pioneer
Farms Award”**

1957 - March 1, 2025

On March 1st, 2025 we lost a good cattleman and my friend, Jay Book. He passed away doing what he loved: getting ready to tag a new born calf in the calving barn at Northland Farms.

Jay was honored in 2023 by the Illinois Simmental Assn. with the Simmental Pioneer Award.

Jay Book built the first Homo-Polled Simmental Program in America and built a top herd of Simmental cattle.

Jay used A-I and ET work to build a quality herd, selling all over Illinois and the United States.

Jay's program was built on performance, records, and strong cow families.

Jay bred and raised Northland Lady 228W, the first Illinois Beef Expo Grand Champion Simmental Female, purchased by my daughter, Leslie. Lady was undefeated that show year and that is when the Martin Family started our Simmental program at Clinton, Illinois.

We will miss you Jay, and your vision to always Build Better Cattle.

Larry Martin and Greg Miller

Maple is a solid black, well balanced and nicely designed 3/4 blood Simmental 1st calf heifer. Maple stems back to some of the most prominent and productive Simmentals in the breed today, WHF Summer, CLRS Beauty Queen, and JS Flatout Flirty just to name a few. Much like her pedigree would suggest she's well on her way to becoming a strong producer. Her bull calf at side born 3/18/25 is out of Lashmet Weis Sam L349, a direct son of the legendary SAM sire. This calf has absolutely exploded since birth and is well on his way to being a scale crusher at weaning time. Highly productive young pair with a bright and promising future ahead for their new owner.

Calf at side: Bull. BD: 3-18-25. Sire: Lashmet Weis Sam L349.

Eye catching, deep, maternal cow. We bought this cow as a bred heifer from the Blackford Family and sold her first heifer calf for \$5,000 as a bred heifer. Since then she has only had one heifer which we have kept as the best Indian Outlaw sired calf we have seen. Don't worry - we think the bull calf on her side is extra special and would be interested in buying him back at weaning.

Calf at side: Black baldy Bull. BD: 3-15-25. Sired by JR Indian Outlaw #4154561

Prime Legend is a really long bodied structurally correct 3/4 blood bull that has calving ease to back him up for use on heifers and cows. His pedigree goes back to some really good cow families on the cow side making this guy a great candidate to add to one's herd for calving ease and profitable calves to sell in any market. Look at his epds and you'll be impressed with his high numbers but still combines it in a great looking bull package.

A solid black Sim-Angus son of Redhill Countryman 81J. Countryman has been long recognized as a sire to inject real-world performance and outstanding carcass value into his offspring. This top young herd sire is proof of just that. He boasts an impressive set of EPD's with 7 traits ranking in the top 7% of the breed, including CE, BW, API, and TI. We had the opportunity to purchase Countryman back from our good friend Bart Williamson at weaning time, and boy, are we glad we did. This young stud is going to add muscle, rib, and carcass quality while maintaining a sensible frame size. Hard to go wrong with a bull that is heifer safe, docile, and has an EPD profile that will move the most progressive program forward.

Red Heifer Recip ASA#4507670 HNFLD Miss Hairress K225.

Pregnancy due date: 8-22-25

With time tested genetics on both the top and bottom of the pedigree, opportunities like this do not come along very often. We are selling a pregnancy out of the legendary Caliente Donor that currently has 250 registered progeny in the ASA database. Caliente is the dam of STF Onyx and STF Deception who both went on to write their own story as historically good donor cows. The red recip is a heifer that has pedigree in spades. She is an Executive Order daughter that has strong cow families like 8543U, Dolly's Queen, Magnetic Lady, and Windsong littered across her pedigree. The work is done, and you have the opportunity to reap the rewards for what could, very well, be your next influential red donor.

Allstar Party Time 398 is a very stout high performing angus long yearling bull ready to improve any cow herd, commercial or show. He is a son of the great STAG Good Times and his dam is the great Dameron and Rutledge farm donor, ALL KLLR RF Star 72B. We have a full 2024 fall bull calf we are retaining for our herd and considering showing this summer and fall. Party Time 398 was reserve champion bull at the Southwest Angus Classic as a calf in May 2024. He won his division at the 2024 World Beef Expo ROV show. He was second in his class at the Cattlemen's Classic in OKC. We did use him this fall to pen breed some of our best angus and Simmental cows. We look forward to what he is going to sire in our herd and what he will do in the future for yours.

A combination of top Romagnola genetics paired with Angus genetics dating back to the grandsire, being the world renowned President bull. Romagnolas are known for their high fertility and ease of calving. Exhibiting a high maternal instinct and producing nutrient rich milk, leading to a higher calf weaning weight.

Selling two packages of conventional semen in packages of 5 units.

Start Up was the standout selection and Lot 1 highlight of the recent Ruby Cattle Bull Sale – and for good reason. He brings together an exceptionally solid pedigree with a powerful, breed-leading EPD profile, making him a sire with true long-term value. This offering marks the first-ever semen to sell at public auction on Start Up, giving breeders a rare opportunity to invest early in what promises to be a high-impact sire,
